

# 2Q & 1HFY16/17 Financial Results

25 October 2016

# **Important Notice**

This presentation shall be read in conjunction with Mapletree Industrial Trust's ("MIT") financial results for Second Quarter Financial Year 2016/2017 in the SGXNET announcement dated 25 October 2016.

This presentation is for information only and does not constitute an offer or solicitation of an offer to sell or invitation to subscribe for or acquire any units in Mapletree Industrial Trust ("Units").

The past performance of the Units and MIT is not indicative of the future performance of MIT or Mapletree Industrial Trust Management Ltd. (the "Manager").

The value of Units and the income from them may rise or fall. Units are not obligations of, deposits in or guaranteed by the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that unitholders may only deal in their Units through trading on the Singapore Exchange Securities Trading Limited ("SGX-ST"). Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This presentation may also contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of risks, uncertainties and assumptions. Representative examples of these factors include general industry and economic conditions, interest rate trends, cost of capital, occupancy rate, construction and development risks, changes in operating expenses (including employees wages, benefits and training costs), governmental and public policy changes and the continued availability of financing. You are cautioned not to place undue reliance on these forward-looking statements, which are based on current view of management on future events.

Nothing in this presentation should be construed as financial, investment, business, legal or tax advice and you should consult your own independent professional advisors.

# Outlook

- The economy grew by 0.6% y-o-y in the quarter ended 30 Sep 2016, easing from 2.0% growth in preceding quarter<sup>1</sup>
- ▼ Median rents for industrial real estate for 2QFY16/17<sup>2</sup>
  - Multi-user Factory Space: S\$1.84 psf/mth (1.1% q-o-q)
  - Business Park Space: S\$4.25 psf/mth (3.7% q-o-q)
- The business environment is expected to remain challenging in view of the uncertain macroeconomic environment and large impending supply of industrial space in Singapore. This is likely to exert pressure on occupancy and rental rates.
- Continued focus on active asset management and prudent capital management
  - Focusing on tenant retention to maintain stable portfolio occupancy
  - Implementing appropriate interest rate hedging strategies
