

ANNOUNCEMENT

ISSUE AND LISTING OF NEW UNITS UNDER THE DISTRIBUTION REINVESTMENT PLAN

2 September 2015 - Mapletree Industrial Trust Management Ltd., as manager (the "Manager") of Mapletree Industrial Trust ("MIT"), wishes to announce that it will issue 9,221,430 new units in MIT ("New Units") at an issue price of S\$1.5188 per Unit pursuant to MIT's distribution reinvestment plan ("DRP") in respect of MIT's distribution for the First Quarter Financial Year 2015/2016 from 1 April 2015 to 30 June 2015 (the "1QFY15/16 Distribution") on 3 September 2015.

The New Units will be credited by 3 September 2015 to securities accounts of MIT unitholders ("Unitholders") who have elected to participate in the DRP. The New Units will commence trading on the Main Board of Singapore Exchange Securities Trading Limited ("SGX-ST") at 9.00 a.m. on 3 September 2015.

The new Units will rank *pari passu* in all respects with the existing Units.

Following the issuance of the New Units, the total number of MIT Units in issue has increased from 1,761,064,435 to 1,770,285,865.

Unitholders who did not elect or partially elected to participate in the DRP and overseas Unitholders who did not provide registered addresses in Singapore to The Central Depository (Pte) Limited, will receive their respective entitlements to the 1QFY15/16 Distribution in cash on 3 September 2015.

Important Notice

The value of Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders of MIT may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

The past performance of MIT is not necessarily indicative of the future performance of MIT.
