#### Introduction

1. Mr. Wan Kwong Weng, as Joint Company Secretary, announced at 2:30 p.m. that the 11<sup>th</sup> Annual General Meeting (“AGM” or the “Meeting”) of MIT would commence. He introduced himself as the Joint Company Secretary of Mapletree Industrial Trust Management Ltd., the manager of MIT (the “Manager”), and informed Unitholders that in view of the ongoing COVID-19 situation, MIT was conducting its AGM this year via electronic means pursuant to the COVID-19 (Temporary Measures) Order 2020. He thanked Unitholders for pre-registering for the AGM and submitting questions in advance. He also informed that Unitholders could refer to MIT and SGX’s websites for the Manager’s Responses to the Substantial and Relevant Questions received from Unitholders for the AGM prior to the Meeting. Unitholders were informed that any questions in relation to the resolutions tabled for approval at the AGM could be submitted via the online chat box icon.
2. Mr. Wan Kwong Weng proceeded to introduce the Directors and the executive officers of the Manager who were present in person and via video conference, and added that representatives from DBS Trustee Limited, the trustee of MIT (the “Trustee”) and PricewaterhouseCoopers LLP, the auditor of MIT (the “Auditor”), were also in attendance.
3. Unitholders were informed that in accordance with the trust deed constituting MIT, the Trustee had nominated Mr. Wong Meng Meng, Chairman of the Board of Directors of the Manager, to preside as the Chairman of the Meeting (“Chairman”).

#### Presentation by Management

4. Before proceeding with the Meeting, Mr. Wan Kwong Weng invited Mr. Tham Kuo Wei, Executive Director and Chief Executive Officer of the Manager, to give the Unitholders an overview on MIT’s performance for the Financial Year 2020/2021 ended 31 March 2021.

### Quorum

5. Following the presentation by Mr. Tham Kuo Wei, the conduct of the Meeting was handed back to the Chairman. Chairman welcomed Unitholders to the Meeting on behalf of the Manager. After being informed by the Joint Company Secretary that there was a quorum present at the Meeting, Chairman declared the Meeting open.

### Notice

6. Chairman noted that the purpose of the Meeting was to seek the approval of Unitholders for the three resolutions ("**Resolutions**") set out in the Notice of AGM dated 21 June 2021 which was sent by post to Unitholders in printed form and also by electronic means via publication on the websites of MIT and SGX. The Notice of AGM contained two items as the ordinary business of the Meeting and one item as the special business of the Meeting. Chairman noted that each item was an ordinary resolution which had to be carried by the affirmative votes of more than 50% of the total votes cast on the resolution.
7. The Notice of AGM was noted and taken as read.

### Responses to Key Questions Received from Unitholders

8. Chairman proceeded to address the key relevant questions submitted via the online chat box by Unitholders participating through the live audio-visual webcast.
9. Unitholder Mr. Teo Jun Jie had two queries:
  - (i) The first query was why Chairman had not increased his unitholdings in MIT since the initial public offering. Chairman noted that this question was asked prior to the AGM as well. He concurred with the Manager's view that this was a personal question which was not appropriate to be addressed during the AGM.
  - (ii) The second query was whether MIT would enter into co-development projects in the data centre space with the Sponsor or with third parties. Chairman replied that MIT would remain open to consider exploring co-development projects in the data centre space with the Sponsor or third parties should any suitable opportunities arise in the future.
10. Unitholder Mr. Tan Yew Aik had two queries:
  - (i) The first query was on the outlook for borrowing cost in the near future. Chairman explained that there were many considerations that would affect the cost of borrowing including the aggregate leverage level, which could be found in item 22 of the Manager's Responses to the Substantial and Relevant Questions (published on SGXNET).
  - (ii) The second query was whether MIT would ultimately dispose all Flatted Factories to become a data centre-focused real estate investment trust. Chairman replied that there were no current plans to divest all Flatted Factories. As MIT continued its growth, the representation of data centres could be up to 67% of MIT's portfolio.
11. Unitholder Mr. Tan Wee Beng had two queries:

- (i) The first query was the expected completion for the acquisition of 29 data centres in the United States of America (the “**United States**”). Mr. Tham Kuo Wei replied that the expected completion date would be around third quarter of 2021.
  - (ii) The second query was the expected timeframe for data centres to comprise 67% of MIT’s portfolio. Chairman replied that there was no firm timeframe as it would depend on any suitable opportunities in the future as well as the market conditions and economic recovery from the ongoing COVID-19 pandemic.
12. Unitholder Ms. Tan Li Mei queried whether there would be a delay in the construction for the redevelopment at Kallang Way and what would be the potential impact. Mr. Tham Kuo Wei replied that the Manager had delayed the awarding of the construction contract for the third industrial building, which was awarded only in May 2021 and slated for a later completion in the first half of 2023. He added that the construction progress for the other two industrial buildings, including the first block (161 Kallang Way) for the build-to-suit tenant, remained on track for completion in the second half of 2022.
13. Unitholder Mr. Tan Lee Wee Eng queried about the expected distribution per unit (“**DPU**”) contribution from the acquisition of 29 data centres in the United States. Mr. Tham Kuo Wei replied that the expected completion date would be around the third quarter of 2021 with DPU contribution commencing after completion.

### **Conduct of Voting**

14. Chairman informed Unitholders that, in accordance with the COVID-19 (Temporary Measures) Act 2020 and the related order on the conduct of alternative arrangements for general meetings, all votes on the resolutions tabled at this AGM would be by proxy and only the Chairman of the Meeting may be appointed as a proxy. Chairman added that he had been appointed as proxy by a number of Unitholders and would vote in accordance with their specific instructions.
15. Chairman explained that all resolutions tabled at the AGM would be voted by poll based on the proxy forms that had been submitted to the Manager at least 72 hours before the AGM. Chairman also informed that RHT, Governance, Risk & Compliance (Singapore) Pte. Ltd. has been appointed as scrutineer (the “**Scrutineer**”) for the conduct of the poll and the poll results have already been verified by the Scrutineer.
